PART-II

CURRENT AUDIT

During current audit, the accounts of the Principal, Govt. Polytechnic for the years 2014-15 to 2017-18 were test checked, besides conducting a general review of all other records. Important points noticed during the course of audit are detailed in this part of the report. Early action needs to be taken to furnish the final compliance to these observations.

SECTION-A

I. Construction of SC/ST Girls hostel building and purchase of materials without actual demand/requirement for the said hostel leading to unfruitful expenditure of Rs.114.60 lakhs.

The construction of Government Polytechnic girl's hostel under SCP/TSP funds was entrusted to KRIDL at an estimate cost of Rs.99.60 lakhs during 2013-14 and was completed by the agency and handed over the building on 30.08.2018 to the college authorities.

Earlier to this the Department/ Principal of the college has purchased following materials relating to the establishment of this hostel during 2015-16.

Nature of materials	Date of stock	Amount paid in Rs.	Purchased by	Remarks
Single locker almirah	12.03.2016	89958	College	Stored in college basement
Steel slotted angle Rack	12.03.2016	89981	college	-do-
Students locker almirah	12.03.2016	89976	college	-do-
Kitchen utensils	13.02.2016	89577	college	-do-
Plain shelves Almerah	12.03.2016	89981	collage	Stored in college basement
Chairs and table	12.03.2016	89732	college	-do-
Dining table	27.05.2016	153500	Supplied by DTE	-DO-
Study chair	27.05.2016	110775	-do-	-do-
Study table	27.05.2016	143850	-do-	-do-
Two tier cot	27.05.2016	553150	-do-	-do-
TOTAL		1500480		

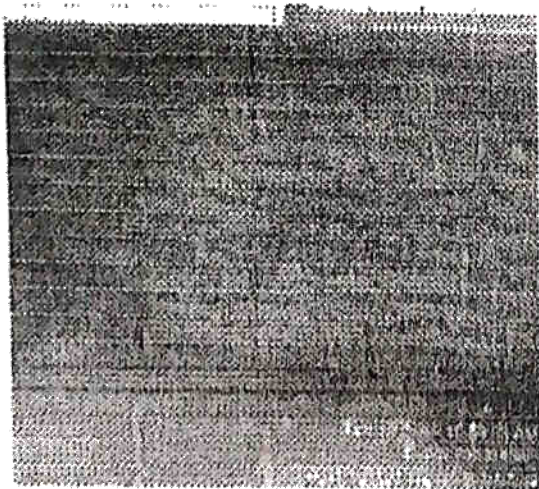

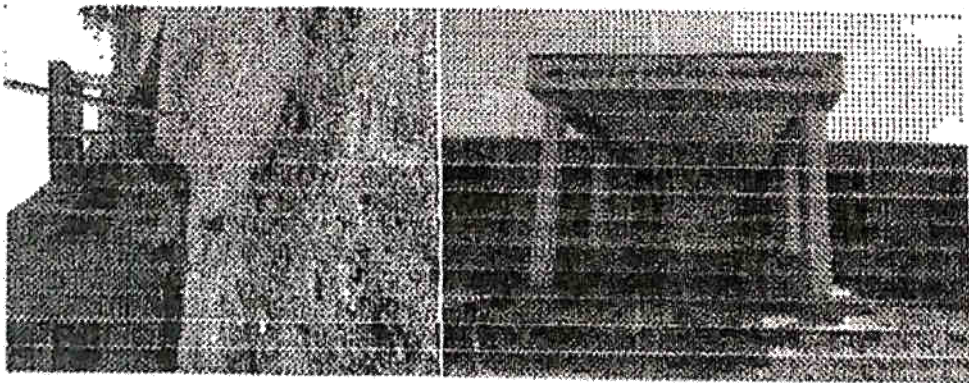

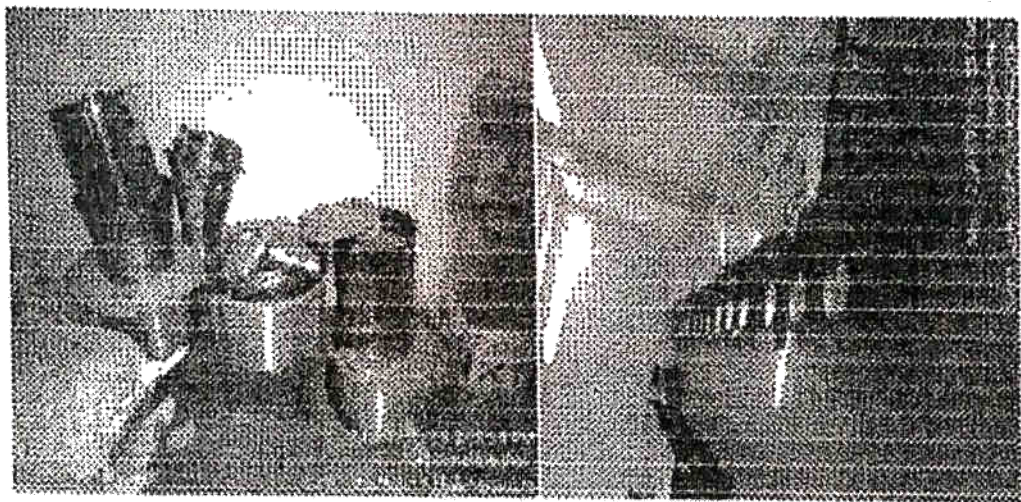

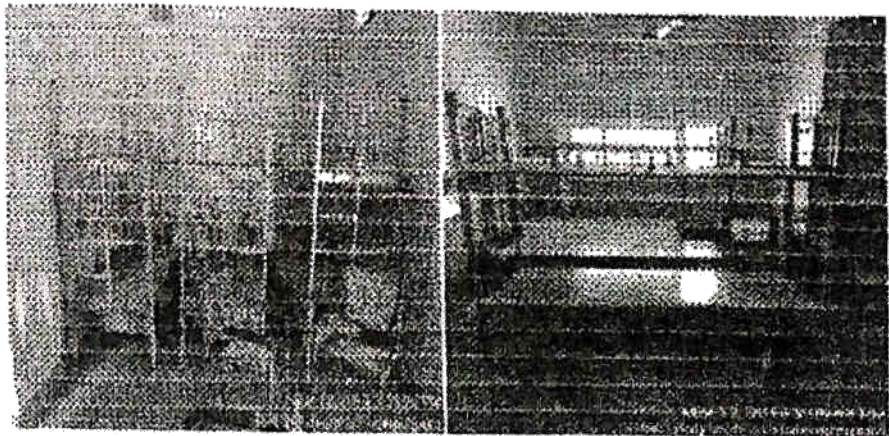

In this regard following observations are made.

1. From the latest admission of students details revealed that during the last three years the SC/ST Girls students admitted to this collage was as under

YEAR	SC/ST GIRLS local	SC/ST outsider	TOTAL
2016-17	20	18	38
2017-18	41	16	51
2018-19	29	24	53

Without assessing this actual facts the DTE has sanctioned Rs.15.00 lakhs towards purchase of materials for establishment of hostel even before its construction and another amount of Rs.99.60 lakhs for the construction of building.

Till date the hostel was not established leading to unfruitful expenditure as above. The joint physical inspection of the hostel revealed that all the materials were dumped in the basement of the college main building.

The building was also not completed fully and sanitary fittings, water supply works, electrification are yet to be completed as visible in the physical verification.

Further, the Principal polytechnic college Holenarasipur, has asked the Taluka social well fare officer, SW Department vide his letter dated 03.09.2018 to take over the constructed building as there is no demand from SC/ST girls for the hostel accommodation as the students feel that, the cost of sharing the food bill will be more.

Under the above circumstances, how the hostel will be established and why the same was sanctioned when there was no need/demand. This may be brought to the notice of the DTE Bangalore and further action taken may be intimated to audit.

In reply it is stated that, the students are not coming forward for admissions because they have to bear the cost of expenditure on shared basis. There are number of free hostels run by social welfare Department at free of cost. Therefore we have requested to social welfare Department with the instructions of DTE so that our students also get the benefit of free food and will be encouraged to get admission. The utensils and furniture will be used by the social welfare department after entering in to a MOU.

II. Un fruitful capital expenditure of Rs.100.00 lakhs incurred on construction of women hostel at Govt. Polytechnic college Holenarasipur

The work of construction of women polytechnic hostel at Holenarasipur was proposed under Centrally sponsored schemes of Government of India. The Ministry of Human resources Development (Department of Higher education) vide letter no. F.N. 15-2-2010 TS IV Dated 20.12.2010 sanctioned Rs.100.00 lakhs for construction of hostel with following terms and conditions.

- The funds of Rs.100.00 lakhs will be released in installments.
- The expenditure over and above Rs.100.00 lakh will be spent by the state Govt/polytechnic college.
- The grantee shall maintain a register of assets in the prescribed form GFR-19
- The grant is debitible under AH 2203-00-105-14-00-35 grants for creation of capital assets during 2010-11 (PLAN).

The work was entrusted to EE PWD Hassan for execution and the funds were released as under.

Date of release	Amount Rs.in lakhs
447636/25.07.2011	50.00
447637/12.04.2013	40.00
447640/14.07.2016	10.00

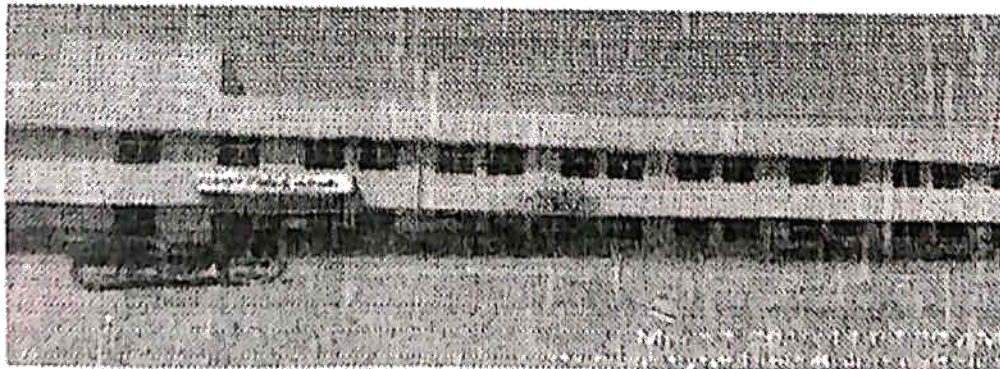

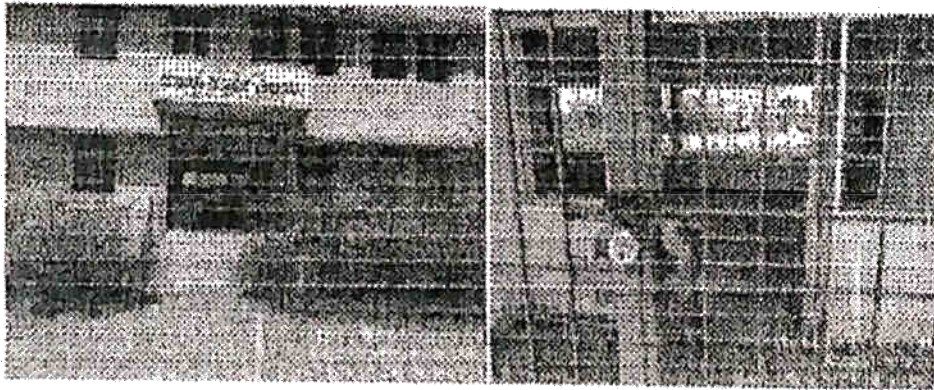

In this regard following observations are made.

The polytechnic college has no details regarding the date of commencement of work, due date for completion of work etc.

As per correspondence file it is noticed that, the PWD has completed work to the extent of Rs.90.00 lakhs during 7/2013 itself and for remaining grants of Rs.10.00 lakh the work was stopped

The balance Rs.10.00 lakh was released on 14.07.2016 by the college and after a delay of two years the EE, PWD Hassan has submitted two estimates on 23.05.2018. for Rs.4.75 lakh each for taking up additional works and for electrification. Till date these works were also not carried out resulting in incomplete work even after seven years of its commencement.

During physical verification of this building it was found that, the building is locked up and there is no watch and ward either by PWD or by college as a result the glass windows, doors etc were damaged.

The matter was brought to notice in our earlier inspection report in spite of this no action were taken to get the building completed by the PWD.

Even though full funds of Rs.100.00 lakh were released to PWD, the building was not completed and handed over to the college till date (3/2019) resulting in unfruitful expenditure incurred on this work.

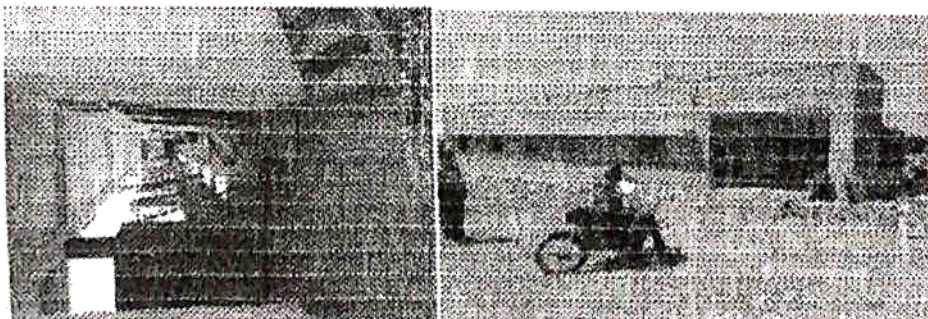

In reply it was stated that, the matter will be intimated to the PWD, regarding the audit observation and measures will be taken to get the hostel work finished at the earliest.

SECTION-B

I. Extra items included in the estimates by RITES Ltd. resulting in escalation of cost by Rs.50.21 lakhs.

The GOK vide its order no. ED47 HPT 2016 (B) Bangalore dated 01.10.2016 has entrusted the construction of additional class rooms for the GPC Holenarasipura to the RITES Ltd and estimated based on DSR 2014-15 SR items. The SR rates are inclusive of all the rates and taxes applicable for that period. The total cost of the estimates is Rs.200.00 lakhs.

The entire funds were released to RITES by DTE directly and the construction work is yet to be completed. As per the progress submitted by the agency the internal plastering work is in progress. However the physical verification revealed that, still lot of work is pending as seen from the pictures.

The schedule date of completion is not communicated to the Principal of the college. Requirement of additional class rooms to the college and utilization proposed may be intimated to audit. Audit noticed that, the basement of the college which was meant for canteen purpose was dumped with stores materials. The proper utilization of buildings need to be examined.

The Principal in reply stated. The dumped materials in the cafeteria will be shifted to the respective places.

II. Avoidable payment of Power factor penalty and power charges. Rs.1.85 lakh.

The following was pointed out earlier by our Inspection report vide para II/IIB/2013-14, however no effective action taken in this regard.

The Govt. Polytechnic college Holenarasipura have taken HT electrical power supply connection with a connected load of 100 KVA under RR No. HNPHT 37.

- (i) On a review of monthly payment of electricity charge, it was noticed that, power factor penalty/surcharge to the extent of Rs (on a test checked cases) were paid for non maintaining power factor constant of 0.85 and above.

MONTH	POWER FACTOR	Amount of PF penalty charged/paid
December/2014	0.66	1718
April-2015	0.66	2046
September-2015	0.73	646
April-2016	0.63	1319
Janaury-2017	0.47	1449
June-2017	0.42	827
January-2018	0.53	1235
TOTAL		9240

The power factor penalty was levied mainly due to non installation of required shunt capacitors to regulate the energy. For remaining months also the same may be verified and action taken to get the refund.

The college may approach the electricity supplier authorities in this regard and avoid the payment of power factor penalty.

- (ii) The service connection of HT (2A) installation was taken during September/2013 with the contract demand of 75 KVA. The monthly power supply consists of two parts involving Recorded demand charges and energy consumption charges.

The monthly demand charges are calculated based on the actual demand recorded or 75 percent of the contract demand (75% of 75 kva= 56.25 KVA) whichever is lesser.

However, the months demand charges were claimed and payment made @ Rs 12750 (Rs.170x75 KVA) on the plea of non recording of demand meter. In this connection though the electricity supply had obtained monthly meter readings of the demand (KVA) meter, and periodical test reports of the meters revealed that the demand meter was working in good condition, the billing of demand charges on 75 KVA is not correct and resulted in excess payment as detailed under.

Period	To be billed	Actually billed	Excess payment
12/2014 to 12/2016	56.25 KVA x Rs.170x 25 =239062	75KVA x Rs 170 x 25 months= 318750	79688
01/2017 to 05/ 2017	56.25 KVA x Rs.180x 5 =50625	75KVA x Rs 180 x 5 months= 67500	16875

As per the extension of 2006 revised AICTE pay scales, the pay 'fixation formula' recommended by 6th Central Pay Commission as accepted by the Central Government shall be adopted for Teachers. Further as per the Rule 9 of 'The Gazette of India' dated 29th August 2008 stated that, as the rate of increment in the revised pay structure will be 3% of the sum of the pay in the pay band and grade pay applicable, which will be rounded off to the next multiple of Rs. 10.

As per serial number 4 of Office Memorandum dated 29th January 2009 issued by Ministry of Finance clarified the methodology of rounding off of pay increment as: In the case of calculation of increment under the revised pay structure, paise should be

ignored, but any amount of a rupee or more should be rounded off to the next multiple of 10.

However, on check of service registers of teaching staffs (Lecturers) it was noticed that, pay fixation at the time of granting increment was wrongly rounded off to the next multiple of 10 instead of ignoring it. The details are given vide Annexure- This needs to be verified once again and action taken to rectify the pay fixation and excess payment made if any may be recovered under intimation to audit as agreed to.
